## GMC - MISSION STATEMENT

Manufacturing plays a vital role in India's future Economic Growth. Manufacturing will be unquestionably a very different Enterprise in 2030 from what it is today. A critical step in preparing a sustainable future must be guided by a clear vision and an understanding of fundamental challenges.

**Global Manufacturing Conclave - GMC** is an effort to provide a platform to bring out the leaders from Indian manufacturing industries to discuss diverse issues of the manufacturing industries amidst South India's largest engineering exposition - **ACMEE 2023**, Organised by the country's foremost Entrepreneur Association "**AIEMA**" which has strived in making this region one of the most successful industrial belt.

**ACMEE 2023** strives to bring best in class speakers and audiences in association with its Knowledge & Research Partner "**Texas Ventures**" to provide an opportunity to share their concerns.

**Global Manufacturing Conclave - GMC** will also explore topics such as how to be a market contender in global market and equip CEOs with leadership skills.
